## A bag that moves like you

Some weekends are not planned – they just happen. A message from a friend, a sudden change of scenery, or a quiet Airbnb you've wanted to visit for a long time. This is exactly where it comes from **Velden Handwerk Weekend-Duffelbag** into the game.

It is made for people who move between city streets, forest paths and cozy cafes – without changing their equipment every time. These **Canvas leather duffel bag** doesn't scream or hang out. It is simply there, adapts – reliably, simply and ready. You can throw them over your shoulder or store them in the train compartment without any worries. It is soft but dimensionally stable. Stylish but never intrusive.

For anyone who is tired of having to choose between shape and function –or worse, carrying multiple bags– is the best **Weekend Duffelbag** the one that picks you up where life takes you. No effort. Simply freedom.

## Reliable craftsmanship for every type of break

Bei **Velden craft** let's not design bags for a specific occasion – we make them for real, everyday adventures. These **duffel bag** is made of high quality woven canvas and full grain leather in the Crazy Horse style: materials that not only withstand the elements but gain character over time. It is soft yet robust – made for long distances.

With a volume of **36.5 liters handled** make your weekend wardrobe, technology and travel essentials effortless. The interior offers thoughtful compartments that keep your essentials neatly in place – no rummaging, no chaos. Outside, multiple zip and flap pockets provide quick access to everything you need frequently. The adjustable strap and double handles also offer you versatile, comfortable carrying options – just the way you travel.

We have developed this canvas leather duffel bag for people who want to feel quality and are looking for trust that leaves no questions unanswered. Whether for a spontaneous overnight stay or a road trip: this is the bag with which you can simply go out – and come back just as relaxed.

## Adventure Awaits!
